

***Veterans' Memorial Fund  
Dedicated to Veterans-  
Past and Present***

*In 2007 a beautiful park was designed to pay tribute to the many men and women who have served their country and provided us with the most precious gift of all—freedom.*

*We are happy to provide our community with the opportunity to purchase a brick during this Campaign of the Veterans' Memorial Park.*

*Bricks are designed to pay tribute to our loved ones who have served in one of the branches of the United States Armed Services. What better way to pay tribute than by furthering an endeavor that will have an impact today and in the lives of future generations?*

**Brick \$50.00**

**Wall \$100.00**
